Penalty not applied for late lodgment of your Income tax return for Companies

To whom it may concern,

Your 2023 Income tax return for Companies was not lodged on time. It was due on 15 May 2024. You would normally have to pay a penalty for not lodging on time. However, we have decided not to apply the penalty on this occasion.

To avoid a penalty in the future, you must lodge on time. The failure to lodge on time penalty is up to \$1,650 for each overdue lodgment. This penalty increases to \$3,300 for medium entities and \$8,250 for large entities and \$825,000 for Significant Global Entities (SGE).

For more information

If you have any questions or are having difficulty lodging on time, phone us before the due date on **13 11 42** between 8.00am and 6.00pm, Monday to Friday.

For information about our commitments to you and what we ask of you, go to **www.ato.gov.au/atocharter**

Yours faithfully
