Payment to your superannuation account

Dear MRS LEGENA

If your employer does not pay your minimum superannuation guarantee amount on time and to the right fund, they must pay the superannuation guarantee charge (SGC) to us.

On 27 August 2024 we transferred an SGC amount of \$82.53 to your account 65328198, for unique superannuation identifier (USI) STA0100AU, managed by THE TRUSTEE FOR AUSTRALIANSUPER.

This amount includes the following contributions:

Employer	Quarter End Date	Amount \$
THE TRUSTEE FOR PAW UNIT TRUST	31 December 2023	82.53

We will also transfer any future SGC amounts we receive to this account unless we receive updated information from you, or your superannuation provider.

There may be a difference between the amount we transferred and the SGC amount you are expecting from your employer/s. This could be because:

- your employer has not paid the full amount of your SGC entitlement to us
- your employer provided new information which changed the amount we can pay you, or
- we used some or all of the amount to reduce the amount owing on your super guarantee account.

You can find more information about your superannuation entitlements, checking your super balance and how to transfer your ATO held SGC amount to your super fund on our website at www.ato.gov.au/super

If you believe you have not received your correct entitlement visit www.ato.gov.au/unpaidsuper to review your options.

Yours sincerely

David Allen
Deputy Commissioner of Taxation
